SFAC KERALA**

1MSME Scheme

(Micro Small Medium Enterprises)

Incentive Scheme for Micro, Small and Medium Value Addition Enterprises in Agriculture Sector

Small Farmers Agribusiness Consortium (SFAC)

- α Small Farmers Agribusiness Consortium (SFAC) is an organization working under the State Department of Agriculture.
- α SFAC is implementing schemes to help the farmers to develop new value added products in the agriculture sector of Kerala.

What is value addition?

- α Value addition is the process of achieving greater market value by increasing the quality of products.
- α Long shelf life, good packing systems and good transporting systems are essential in this sector.

Primary value addition process (Primary Processing)

Fruits and vegetables are consumed raw.

Products are not used for other value addition.

Fresh Cut Fruits and Vegetables (FFV)

Cleaned, peeled and sliced Fruits and vegetables are used for immediate consumption

Specially designed Temperature and settings should be set to preserve this product

Description of Incentive Scheme for Micro, Small and Medium Value Adding Enterprises (MSME) implemented by SFAC
